### NEW AUTOMATIC Sewing Machines

The manufacturers of this machine have sold their goods to no one in the islands excepting our firm. Parties representing that they have the Wilcox & Gibbs machine are trying to palm off on an unsuspecting public very inferior article which resembles the Automatic in every way but in being Automatic in action. The Wilcox & Gibbs is the only Automatic Sewing Machine in the world. So called Automatics sold by parties other than us or our agents are frauds. Do not let yourself be talked into buying a machine that is just the same as the Wilcox & Gibbs New Automatic, because it is cheaper.

## TO RESTORE THE QUEEN

Vain Hopes of the Maui Independents.

## ARE MISLED BY LEADERS

Natives Believe Voting Majority Would Empower Them to Such Action.

(Special Correspondence.)

WAILUKU, Maui, August 4.—It is neither "14 to 1" nor "imperialism" that is agitating the minds of members of the Independent party on Maui, but it is the restoration of Liliuokalani to the throne of Hawaii. This is the most prominent plank in their party platform.

Recently an influential leader of the Independents of Wailuku, in conversation with a well-known native Republican, stated that the natives would control the next Legislature and that the Legislature would restore the Queen to her throne. The political attitude of this leader, who is a man of intelligence and good character, indicates the political sentiments of the rank and file of the native party of Wailuku and probably of all Maui.

In answer, the Republican, who possesses more than ordinary political wisdom, told the Independent how utterly foolish and futile the proposed plan was and also advised him and his political friends to join with the haoles in either the Republican or Democratic parties, for though the Hawaiians may have the majority in the next Legislature, in several years from now the haoles would surely have and continue indefinitely to hold the control of affairs, and if the natives did not show the haoles any consideration now, they could expect little favor of them later on.

D. P. Eldredge of Kula is a Democratic candidate for the Legislature from Makawao. Wm. White and S. M. Kaaukai, two Lahaina lawyers, and Judge S. E. Kaleikau of Wailue, also will run. Messrs. Kaaukai and Kaleikau are said to be Republicans.

### PERSONAL NOTES.

W. H. King has resigned his position as deputy sheriff of Makawao district. He intends to remove to Wailuku and to carry on the carpenter and wheelwright business of his father, the late J. L. King. S. E. Kalama, the popular captain of police, will probably be promoted to the vacant position.

The proposed Maui Cattle Company has not come into existence. The option to Gear, Lansing & Co. of Honolulu by Enos and Ferreira of Wailuku upon the Kahikini and adjacent lands was not taken advantage of. There is a rumor of another "cattle combine" which will include Kahikini and two other cattle ranches. Tuesday I. M. Sloper, a carpenter, sued J. H. Bell, the contractor of the new Maunaloa Seminary, for about \$200 wages for labor performed on the building. The Makawao court disallowed the claim, inasmuch as there was no evidence presented to show that Sloper performed the labor in question.

Mr. J. N. S. Williams and son of Honolulu are guests of Mrs. Dowsett of Puuomalei.

Mrs. H. G. Alexander, Miss Nellie Alexander and Fred Alexander of Honolulu are at their cottage in Makawao for a summer outing. They are the hosts of a number of Honolulu young people, there being nine altogether in the party.

Misses Mary Widdfield and Sadie Carter of Honolulu are at Mrs. Bailey's, Kawapae resort.

Mrs. W. Graham and two children are visiting Miss Nellie Crook of Makawao.

On Wednesday, the 1st, Mrs. H. P. Baldwin returned to Hailu after several months' visit to the Coast. She was accompanied by her two sons.

During the 3d Judge Kalua of Wailuku visited Pulehuiki, Kula, on business concerning the division of a piece of land there.

Capt. Bamberg of the Salvation Army of Wailuku has been increasing his subscription list to the "War Cry" recently. The number of papers demanded has risen from 110 to 125 per week. The Captain and his work should be encouraged.

The Haleakala ranch will begin its annual cattle drives next week. Coffee will be served to vaqueros at 3 a. m. Monday, the 9th.

A rattling good game of polo is anticipated this afternoon on the Sunnyside grounds, Paia. A number of college boys will play.

Weather—Frequent showers continue.

### TO BE NATURALIZED.

Maui Resident Wants To Be Saved Trip to Honolulu

(Special Correspondence.)

WAILUKU, Maui, August 4.—There are many Maui residents—some of the island's most prominent men—who voted under the Provisional Government and the Republic, who are neither citizens of Hawaii nor of the United States. They are the possessors of "special certificates" which are of no value under United States laws, and unless they become naturalized cannot vote at the approaching November election.

Is it not possible for Circuit Judge J. W. Kalua of Wailuku to be authorized by the Supreme Court to naturalize applicants possessing the requisite qualifications? This was formerly done under the Monarchy.

The self-evident answer to those asking the question, "Why not go to Honolulu?" is, "Time and expense."

### The Judge Arrives.

Judge Parsons of Laupahoehoe was in town on Wednesday absorbing the metropolitan atmosphere and rubbernecking at the tall two-story buildings. The Judge got lost once in the narrow alley between the Volcano Stables and the rear of Spreckels' Block, but was discovered by a party of his friends who were on the war path themselves and rescued him—Hilo Tribune.
